Re: Report Card Night, Student Holidays, MAP Growth Testing

Report Card Night

The third quarter of the 2023-2024 school year ended on Thursday, March 14! We would like to thank all of our students for their hard work! Per our student handbook, report cards for the 1st and 3rd quarters of each year are given out during mandatory parent-supervisor conferences. Report Card Night will be Tuesday, March 26, at 7pm. Your student's supervisor will be available during this time to review grades and discuss your student's progress. Upon arrival, please report to your child's Learning Center or Classroom.

Student Holidays

There will be no school on Friday, March 29, in observance of Good Friday and on Monday, April 1, for Easter Monday. School will resume on Tuesday, April 2.

MAP Growth Testing

Starting on Tuesday, April 2, all students will take a MAP Growth test from NWEA on a computer or tablet. This test is administered to all students in the fall, winter, and spring of each year and will measure student achievement. Students will be tested in the areas of Reading, Mathematics, and Language Usage during each testing period, and the results will measure your child's academic growth throughout the school year.

The MAP Growth tests are unique in that they adapt to your child's level of learning. If your child answers a question correctly, the next question is more challenging. If your child answers incorrectly, the next question is easier. This results in a detailed picture of what your child knows and is ready to learn—whether it is on, above, or below their grade level.

If you have any questions, please contact the school office.

Thank you!
