## Memo

Date: September 10, 2024  
To: Parents of LCA students  
From: Thomas Odom, Principal  
Re: MAP Growth Testing

---

### **MAP Growth Testing**

Starting the week of September 16, your child will take a MAP Growth test from NWEA on a computer or tablet. This test is administered to all students in the fall, winter, and spring of each year and will measure student achievement. Students will be tested in the areas of Reading, Mathematics, and Language Usage during each testing period, and the results will measure your child's academic growth throughout the school year.

The MAP Growth tests are unique in that they adapt to your child's level of learning. If your child answers a question correctly, the next question is more challenging. If your child answers incorrectly, the next question is easier. This results in a detailed picture of what your child knows and is ready to learn—whether it is on, above, or below their grade level.

If you have any questions, please contact the school office.  
Thank you!
