Re: Jr. Student Convention Results

Jr. Convention Results

On Friday and Saturday, January 17-18, a team of LCA students competed at the South Florida Junior Student Convention. A list of their awards and placings has been attached to this memo. Our students did a great job!

In addition to the 39 individual medals won by students, Light Christian Academy received four school awards based on how well our students did in competition categories compared with students from the other schools at the convention. These awards were a 3rd place in Academics, Athletics, Exhibits, and Music.

Light Christian Academy won the highest award 2025 South Florida Jr. Convention Christian Character Award. This award is voted on by the schools that are present and is presented to the school that displays the most Christian Character during the event.

We are proud of our LCA students and all their hard work!

If you have any questions, please contact the school office. Thanks!
