Re: Change of School Calendar

Change of School Calendar

Due to circumstances beyond our control, LCA-UC will be out of session on **Monday, February 10**, so that a new air conditioning unit can be installed in our building. The current unit failed earlier this week and is beyond repair.

While we are excited about the new unit and appreciate how quickly our landlord moved on the situation, the vendor recommended that we suspend school so that they can safely install the new equipment.

It is our plan to resume school as normal on Tuesday, February 11. If anything changes, we will notify everyone via our text alert system.

If you have any questions, please contact the school office.

Thank you!
