2025-2026 School Supply List

Please use the list below to determine the supplies your student will need this school year. *Additional supplies may be requested by your child's supervisor for specific projects throughout the year.* All students should bring their supplies to Meet the Teacher Night prior to the first day of school. **An additional supply fee of \$50 per student is required for all students.** This fee covers things like Lysol, Clorox wipes, etc. This fee is not covered by scholarship funding and must be paid prior to the first day of school.

Backpacks are not required. If a student chooses to use a backpack, the backpack must be standard size and must not have wheels. Families are asked to avoid backpacks with logos or characters. Students need to bring a water bottle daily.
