MAP Growth Testing

MAP Growth testing started the week of September 22, your child will take a MAP Growth test from NWEA on a computer or tablet. This test is administered to all students in the fall, winter, and spring of each year and will measure student achievement. Students will be tested in the areas of Reading, Mathematics, and Language Usage during each testing period, and the results will measure your child's academic growth throughout the school year.

The MAP Growth tests are unique in that they adapt to your child's level of learning. If your child answers a question correctly, the next question is more challenging. If your child answers incorrectly, the next question is easier. This results in a detailed picture of what your child knows and is ready to learn—whether it is on, above, or below their grade level.

Student Holidays

There will **not** be school on the following days in October:

- Friday, October 3 – Student Holiday/ CGACS Educators Conference
- Friday, October 17 – Student Holiday/Teacher Work Day
- Monday, October 20, & Tuesday, October 21 – Fall Break

If you have any questions, please contact the school office.
Thank you!
